#### **Join us at the European Climate Pact's annual event, Together in Action 2026!**

Join Europe's climate action community, experts and policymakers for a key moment in the EU's climate calendar. From exploring the future of climate policy with seasoned experts to being inspired by community-led sustainability initiatives, the packed Together in Action 2026 event programme has something for everyone.

❖ Date: 24-25 March 2026 (Community day exclusively for Pact community on 23 March)

❖ Location: European Commission (Charlemagne building), Brussels and online

💡 What to expect:

✓ A conversation with Wopke Hoekstra, European Commissioner for Climate, Net Zero and Clean Growth, as well as other leading EU policymakers, on the future of climate policy.

✓ Inspiring sessions from members of the European Climate Pact community on how they're leading the charge against climate change in their country.

✓ Exhibitions, artistic showcases and creative breakout sessions on climate action, as well as opportunities to meet like-minded people from across Europe.

Register now to celebrate progress in tackling climate change and building a cleaner, more resilient Union for the future. In-person places are limited, so be quick to secure your spot.

 [\*\*Register for Together in Action 2026\*\*](#)

Want to bring climate action to your community? Organise an activity as part of our new **Climate Action Days**, taking place throughout March 2026 in the build-up to the Together in Action event. Wherever you are in Europe and whatever activity you have in mind, we want to hear about it!

 [\*\*Get involved\*\*](#)

Let's turn ambition into action – together!
